

# **PEACE OF MIND IN YOUR GOLDEN YEARS – PERSONAL ACCIDENT INSURANCE**

As you reach retirement, you have more time to do the things that you've always wanted, such as taking up new hobbies or going on dream vacations. You may also become more vulnerable to accidents as you grow older – which could mean injuries that take longer to heal and huge medical bills for treatment and recovery.

Generally, senior citizens are at a higher risk of falling victims to accidents which might result in life-threatening injuries or have a defined injury, such as loss of eyesight or hearing, and fractured bones.

So, what is covered in a Personal Accident Insurance?
