14% of Elderly Malaysians Reported a Fall Yearly! Are You Aware?

What is a personal accident plan exactly?

Personal accident (PA) policies are designed to **protect individuals in the event of an accident.** They typically provide compensation for injuries, disability, or death caused solely by violent, accidental, external, and visible events.

The Importance of Personal Accident Insurance for Aging Parents

PA insurance is **essential because:-**

- It provides **financial support** in case of unexpected injuries
- Helps **cover medical expenses** and other costs
- They are **more susceptible to accidents**
- For their **safety and our peace of mind**.
- Receive the necessary care **without putting financial strain on the family.**

Safeguarding of Your Lovely Parents

Accidents can happen unexpectedly, but your family's safety should be a priority. In Malaysia, about one in six adults aged 60 and older experiences at least one fall each year. **A 2018 study found that 14.1% of**

elderly Malaysians reported a fall in the past year, with over half of those sustaining injuries and many requiring hospitalization.
