

# WHY SME INSURANCE???

## MISPERCEPTION ABOUT INSURANCE !!!

1. My Business is Too Small to Need Insurance
2. I own a very small business and it's relatively risk-free. Why do I need insurance?
3. Only big companies need insurance

All businesses – no matter how big or small – are exposed to risk.

In fact, SMEs companies are vulnerable to disruptions, face significant losses caused by unpredictable events, and can be financially devastated by such a loss.

To avoid losses it is essential to have the right insurance policies to protect you in time of need.

The smaller your business, you face greater financial strain from third parties for injuries or damages, or when your business required repairs or renovation.

Insurance plays an important role in mitigating the financial or assets losses of the SME's business as well as provide sustainability to the business by providing financial support for the business to get back on track if an unexpected event happens to the business such as the Property suffers Flood damage or the property is burned down.
