Dear Mr Tan

Re: Claim testimonial – The Claim Approved Within Two Days

Our appreciation to Dindings Corporate Insurance Agency (DCIA) in obtaining full claim settlement for the damage by Windstorm that broke our glass window at one of our unit at Green Suria Apartment.

DCIA ensure that a full claim payment including the additional Inconvenience Allowance for RM1,000.00 was paid beside the normal claim damage that was claimed.

Keep up the good services provided!

Thank you
