CLAIM TESTIMONIAL

Full Lift Claim for RM60K++ Approved Within 5 Days – Speedy & Excellent Service.

We were caught by surprise but felt Happy and Relieved when agent told us the full claim was approved – all within 5 days.

Imagine 3 Lifts damaged by lightning has caused the unit owners lots of inconvenience and unforeseen worry to the management, but with the claim approval we can safely get the lifts repaired immediately.

Thanks to all the parties involved in the claim especially Dindings Corporate Insurance Agency (DCIA), the attending agent who co-ordinated well to ensure all things get moving from start to finish even though there were some hiccups here and there.

Best Regards
